## PETERS AND HOYLE LOCK HORNS ON COUNTY ENGINEER'S POWER

District Attorney Geo. Hoyle has attacked the constitutionality of the Reams County Highway Engineer Act. Judge Denny has refused to sustain him and issued an injunction forbidding a claim to be paid by the Supervisors without the County Engineer's signature.

Secretary Peters of the Tax Payers Association accuses the District Attorney of seeking to nullify the intent and spirit of the new law and accuses him of embarrassing the tax payers.

Hoyle contends that he is seeking to protect the people from a new fangled method for the expenditure of enormous sums of money.

Miss Bertha Keechler, pretty young daughter of Superintendent and Mrs. Joe Keechler of the Jones ranch was married last Sunday afternoon to Clem Cornelius at the parish house of St. Francis church by Rev. Father Byrne. The bride was attended by her sister, Mrs. Charles Groskopf and the groom by Joe Keechler Jr. The wedding costume was a traveling suit of rich blue material and with it the bride wore a chic little hat also in the blue shades. She was as pretty and winsome as a bride as ever took the nuptial vows and the happy couple were deluged with good wishes during the wedding breakfast served to the immediate family by the bride's aunt and uncle, Mr. and Mrs. John Steiner of the Union Hotel. At Vineburg station too were a number of friends to congratulate the newlyweds and shower them with rice as they left on their honeymoon to San Francisco.

They will return shortly to reside in the pretty home recently purchased by the groom on Broadway.

## MARY VALENTE BRIDE OF LAWYER

Weds Attorney Allen in San Rafael Last Sunday.

Miss Mary Valente, only daughter of Mrs. D. Valente of this place and sister of Jep and John Valente was married in San Rafael last Sunday to A. W. Allen, a practicing lawyer of San Francisco. The ceremony was a quiet one not even revealed to the Valente family until the arrival of the bride and her husband on the morning train. Mr. and Mrs. Allen were given a hearty welcome by the bride's mother and brother, and a dinner pronounced finer than any that could have been cooked anywhere in Son Francisco prepared by Mrs. Valente in honor of the newlyweds.

The bride is a handsome brunette and has been one of San Francisco most successful and modish milliners, her shop on Fillmore St. patronized by some of the very best trade. She is a girl of vivacious and pleasing manner and has a host of friends in Sonoma Valley who will wish her the greatest happiness.

Mr. Allen is a gentleman of wide acquaintance and prominence in the metropolis. He is much to be congratulated on winning this fair daughter as his bride. The Allens will continue to make their home in San Francisco.

Mr. and Mrs. Tierney formerly of Philadelphia have purchased the Raymond cottage between here and El Verano for a home. They are well pleased with the Valley of the Moon.

## PIONEER DOCTOR'S SON DIES

Al Faure Summoned to Great Beyond Was Known To All Old Timers.

Albert Faure who died in San Francisco Saturday last at the advanced age of 76 years was a pioneer son of old Sonoma. His father was a prominent practicing physician of the early days and with his family resided in the old adobe on the north of the plaza now the property of the Poppes. Dr. Victor Faure and Dr. Van Geldren were the leading practitioners of their time and were close friends of General Vallejo.

Al Faure was a man among men and through his genial personality and sterling character made life long friends. He often visited here coming often in the day of Eugene Robin and other companions of the early days who have preceded him to the great beyond. Sonoma acquaintances recall that he was the best man at the wedding of Mrs. Amelia Bates while the bride's maid was Miss Annie Nauman, now Mrs. Robt. Poppe. He was prominent socially and fraternally and was a member of Sonoma's I. O. O. F. lodge.

Of late years Mr. Faure had been an accountant with N. Clark & Son the pottery firm of Alameda and San Francisco. He was highly esteemed by the president and every employee of the big concern.

His funeral took place in San Francisco on the 10th and was under the auspices of the Odd Fellows of that city.

Deceased was a native of France and is survived by a brother and relatives residing on Union St. San Francisco, with whom he made his home prior to his death.

## ELEANOR KEHOE TO WED SOON

Former Sonoma Girl Will Be Bride of Dr. Arburua Thanksgiving Day.

Miss Eleanor Kehoe, handsome daughter of Mrs. M. Kehoe of San Francisco and a former resident of this place, will be married in San Francisco on Thanksgiving Day to Dr. J. M. Arburua of a prominent and wealthy Los Banos family.

The romance began in Sonoma where the doctor then a young veterinarian, first practiced. During the war Arburua attained a commission and was an inspector of cattle purchased by the government. He is a university graduate and highly thought of by all who know him.

Miss Kehoe is a girl of beautiful traits of character and an amiable disposition which has endeared her to a large circle of friends. She is a cousin of the Millerick boys and sister of popular James and Wm. Kehoe.

The wedding will be solemnized at St. Mary's Cathedral, Van Ness Ave. San Francisco, and the services will be performed by Rev. J. F. Byrne of this place, a relative of the bride's family.

A sister of Ralph Busby who resides in England won a scholarship ship at Oxford college recently in a literary contest. She is a young poetess of great promise.

## SAD DEATH OF MRS. REGUSCI

Malignant Attack of Diphtheria Is Fatal to Good Wife and Mother.

An isolated and apparently unaccountable case of diphtheria contracted by Mrs. M. Regusci caused her death shortly after midnight Wednesday. She was taken ill last week and when the case was diagnosed as diphtheria, the pretty new home was quarantined. Despite all medical science could do, the patient sank rapidly and passed away.

Mrs. Regusci leaves a husband and two children to mourn her. She was an industrious and kindly woman and with her husband had long saved up to build the house lately moved into and in which she was taking so much comfort and pride. News of her death caused sorrow throughout the community. She had been a resident here for about 20 years.

The funeral took place Wednesday and was very strictly conducted owing to the fear of contagion. No other cases of the disease have been reported in this valley.

The Sonoma branch of the Red Cross enrolled over 200 members this week.

Mrs. Burnell of Napa whose son was formerly bonded warehouse keeper here, died last week following a stroke of paralysis.

## CERTIFICATES OF SERVICE ARRIVE

Were Here For Our Boys On Armistice Day. Will be issued by Frank Sprague To Applicants With Their Discharge Papers.

Although Sonoma did not have a community observance of Armistice Day, leaving it to the bigger centers such as Santa Rosa and Petaluma to show Sonoma county's appreciation of her sons in the war, the Certificates of Service for all service men of Sonoma Valley arrived here in time for distribution on the day set apart for honoring our soldiers and sailors. They were sent to Frank Sprague of the Council of Defense, but owing to the shortness of notice, he did not have any means of notifying our boys to be on hand and receive their Certificates. However, nearly a dozen were issued to applicants and the remainder will be filled in and given out by Sprague to all service men presenting their certificates of discharge.

The applicants so far have been Richard M. Vernon, Ren V. Vernon, Newton Dal Pozzetto, Peter A. Boecoli, Louis Felder and Peter Perazzo.

The handsome emblems, certifying service in the World War and signed by Adjutant General Borce and Gov. Stephens, are the proud possession of these young men, and other service men of Sonoma will no doubt avail themselves of the opportunity to call on Mr. Sprague and receive their certificates.

Sonoma Parlor of Native Sons gave a banquet on Armistice day in honor of its member who served in the war. It was a duck dinner de luxe served in the Odd Fellows hall and everyone enjoyed the feast. The boys home from war greatly appreciated the compliment.

In addition to the supply of Certificates of service, a telegram was received here on Armistice Day from Governor Stephens and had Sonoma celebrated, it would have been given public reading. The telegram was as follows:

Sacramento, Calif., Nov. 11, 1919.  
"California is indeed proud of all her sons who served in the Army, Navy or Marine Corps of the United States during the great world war. In all the world there were no braver or more self-sacrificing men—we rejoice in the return of so many to their homes and firesides—may peace and prosperity attend them. Please express to each one my personal appreciation of his patriotic service."  
Wm. D. Stephens,  
Governor of California.

## Not Propaganda

## Say Methodists

WE ARE IN RECEIPT of a very attractive prospectus of publicity to be furnished by the Methodist Church South to any newspaper who will publish it. The offer comes from the Department of Publicity at Nashville, Tennessee and is absolutely free. The Methodist church has a complete news bureau and publicity service, a staff of trained journalists, a news gathering force, feature story writers, reporters, photographers, artists, editorial writers and scribes of all kinds. "This department" says the director "regularly operates a syndicate supplying news and feature material to a large number of papers."

When we recall that a \$53,000,000 fund was recently raised in the Centenary Drive of the Methodist church, it is not surprising that the methodists have plenty of money to carry on publicity work throughout the country. Just what is to be accomplished by all this church dissemination of newspaper material is not hard to imagine, although they claim not to be propagandists in any sense of the word. They maintain that their object is to tell about their missionaries and accomplishments. We recall however, that with the advent of national prohibition, high officials at Washington gave all the credit to the Methodist church for achieving the bone dry victory. It makes us wonder what is the next object to be attained by the zealous publicists, and how far and to what extent this publicity figured in the dry campaign recently conducted.

News colored by any church staff is dangerous to religious liberty and to all liberty. No newspaper should become a mouthpiece of any particular church nor permit public opinion to be unknowingly influenced through articles supposed to be unbiased. We have the greatest respect for church papers as these publications have a place the same as others, but when church or labor organizations or kindred bodies maintain news bureaus on a gigantic scale, seek to dominate, color and invade the regular journalistic field, it is time to sound a warning, for it shows an autocratic trend not unlike the religious domination of the past ages.

A minister recently declared that it was beginning to be a hard matter to tell the church woman from a woman of the street because of the frivolous styles of dress indulged in. It may not be long before a religious uniform or distinctive garb will have to be worn in order to be classified as respectable. The trend is toward regulation. Drink, food, dress, all are coming to be no longer a matter of individual taste or choice or privilege. With paid news bureaus and \$50,000,000 funds to force their views and spread their gospels, the savagery of this country must disappear before the inroad of church missionaries. Too true, American booze guzzlers were quite as bad as cannibals, but we did not all realize it! Alas, American fashion, with its high cut skirts and peek-a-boo uppers, is as badly in need of more clothes as the naked styles of the tropics! Dancing, a sin, will go the way of the banished hula! Yes, the field in this country is broad and fertile. When the newspapers surrender their columns to the crusade, almost anything is possible of accomplishment. The machinery is being set in operation to gather us all into the fold.

THERE HAS BEEN a wide search and much indecision in the matter of the selection of a new president for U. C. President Wheeler, who retired after many years of cold, academic service, which became honey-combed with pro-Germanism, left the way open for a good, virile man to head California. The regents have been considering among others, Dean Angell of the University of Chicago, Professor David P. Barrows and Dr. Merriam, the latter an authority on fossils, hardly a pre-requisite to the job of president, provided a lot of underpaid professors of mediocre ability are weeded out of U. C. The faculty must be brought up to a higher standard and we believe Dr. Barrows is the man to do it. He is a Californian with qualifications.

WHEN A POLL was taken for the presidency in Congress recently, General Wood won out on the straw ballot by a big majority. Hiram Johnson got but 6 votes—six points that should penetrate.

## DENNY-RYLAND NUPTIALS AT PALACE HOTEL DECEMBER 11

Announcement has been made that the wedding of Mrs. Agnes Ryland and Judge Denny will take place Dec. 11th at the Palace Hotel, San Francisco. It will be a quiet affair with Rev. Milliken formerly pastor of the Sonoma Congregational Church officiating.

The following is an account of the reception given Mrs. Ryland in Santa Rosa last Saturday and is taken from a Santa Rosa paper.

"Attractive Gowns, exquisite decorations and an atmosphere of genuine hospitality lent special charm to the tea and reception held Saturday afternoon at the house of Dr. and Mrs. Jackson Temple on B. Street.

The complimented guest was Mrs. Agnes Duhring Ryland of Sonoma, fiancée of Judge Thomas Denny. The reception was planned to give Santa Rosa society an opportunity to meet Mrs. Ryland before she comes to this city as a bride, an occurrence which scheduled to take place early in the coming month.

In the receiving line with the hostesses and Mrs. Ryland were also Mrs. R. Press Smith, Mrs. Dorothy Farmer, Mrs. Hilliard Comstock and Mrs. William Clewe (Harriet Smith) of Sonoma.

All members of the receiving party as well as their assistants were elegantly gowned as were also many of the guests, about one hundred and fifty in number, who came and went throughout the afternoon.

A Paris gown of grey blue pussy willow with exquisite lace and pastellerie trimming, was that worn by the guest of honor and it effectively set off Mrs. Ryland's charm. Mrs. Clewe was gowned in beaded georgette and her mother, Mrs. R. Press Smith, wore black brocade satin. Mrs. Hilliard Comstock's gown was from Paris as well. It was of grey crepe de chine. Mrs. Farmer wore a gown of rich black velvet, exquisite in its simplicity. With it she carried a crimson fan."

## GUIDOTTIS CLOSE SANTA ROSA HOTEL, AN OLD LANDMARK

Another link has been forged in the chain of historic memories of Santa Rosa and Sonoma county in the closing of the Toscano hotel.

Frank Guidotti, the father of Pete, Bert and Angelo Guidotti, started the hotel in 1883, and it has been conducted by the family ever since. Mrs. Theresa Guidotti attended to it for some time after the death of her husband and the brothers taking it over soon after the 1906 fire.

Among the claims to fame held by this building is the fact that the lumber for the second story came from the original Sonoma county court house. At the time when the first building gave place to the one which was destroyed by the fire in 1906, the lumber was bought by Frank Guidotti as there were no mills in this part of the country at that time.

The oldest continuous liquor license in the city was given up when the one held by the Toscano hotel was surrendered. The Guidottis are leaving Santa Rosa. —Democrat.

## SURPRISED ON HER BIRTHDAY

A very pleasant surprise party was tendered Mrs. Erhardt Steiger on her birthday this week when a number of neighbors of the hospitable Schellville colony came in on the gracious matron most unexpectedly, bringing with them an abundance of good wishes and good "eats". Little Miss Evelyn, the daughter of the household was entrusted with the secret and had everything in readiness for the guests and they proceeded to have a most enjoyable evening with cards, music and refreshments.

Those present were Mr. and Mrs. Joe Kiser, Mr. and Mrs. Dick Watt, Mr. and Mrs. R. A. Dow, Mr. and Mrs. Harold Pauli, Mrs. Adelaide Converse, Stanley McGill, Joe and Anton Keiser, Madeline Converse, Helen, Ernest, Claire and Della Pauli, Evelyn Steiger and Mr. and Mrs. Erhardt Steiger. Much enjoyment was expressed at the vocal selections given by Mr. and Mrs. Frank McGill and other talented ones among the guests.

### BRING RESULTS

To the Editor, Index Tribune:

There may be some people who doubt the value of local advertising. I believe that no kind of advertising brings results of that found in a local newspaper, especially are the "classified ads" business getters. Last week you ran an ad for me "land to rent on shares." No less than six farmers came to talk business as a result of that ad, and I have closed with Kearney Brothers, well known successful farmers as a result of the ad. No wonder that your classified ad column is growing!

THE UNIVERSAL CAR

The Ford car can well be called the "people's car," because there are more than 3,000,000 of them in daily operation. That is about four to one of the nearest follower in the motor car industry. This would not be so if the Ford car had not for sixteen years proven its superiority in service, in durability, and in the low cost for operation and maintenance; this would not be so if the Ford car was not so easy to understand, so simple in construction that anybody and everybody can safely drive it. ## DR. BUTLER AND BRIDE HONORED

Superintendent Returns to State Home After Wedding Trip And Is Tendered Brilliant Reception.

The home coming of Dr. and Mrs. F. O. Butler to the State Home at Eldridge after their honeymoon in the South was the occasion of a splendid affair given in their honor at assembly hall last Monday evening. The high esteem and sincere regard felt for the doctor and his bride was everywhere manifest throughout the affair which was a genuine token of affection from the many employees of the big institution.

Under the artistic direction of Assistant Matron Plaska, the Assembly Hall was transformed into a bower of floral beauty, an attractive feature of which was a huge wedding bell which proved to be the cache of one of the magnificent wedding gifts presented to the doctor and his bride. It was a beautiful chest of solid silver and the presentation speech in behalf of the employees was made by Dr. Thurlow in a witty and pleasing manner. The children of the institution sent a lovely candelabra for a present and old employees of the Home made individual gifts of beauty and taste. Mrs. Dickason, the Matron gave a beautiful pedestal lamp and the assistant matron, a tea wagon.

An informal program consisting of music by Mrs. Thurlow, Mrs. Ordahl, Miss Ethel Small and selections by the orchestra, added much to the evening's festivities. There were also delicious refreshments among which were both wedding cake and bride's cake, made and decorated by the institution's chief pastry cook. The bride's cake was cut and passed around to the guests and guests of honor.

Dr. and Mrs. Butler's residence had been beautifully decorated for them in autumn foliage and red berries and their home coming was a right royal welcome in every respect. They will reside in the house formerly occupied by the Dawsons.

## SUPERVISOR REJECTS ALL BIDS TO BUILD DOWN HIGHWAYS

SANTA ROSA, Nov. 13.—Sonoma county's highway system is to be constructed by County Engineer Aldrich, under the supervision of the Board of Supervisors, according to a statement of Supervisor Oscar Charles to-day.

This action is to be taken, said Charles, because of the reluctance of contractors to submit bids for the work, that are at all reasonable.

A number of bids for the work were opened and considered by the board to-day but all were rejected as being too high.

Although the bids received when the first call was made were figured to be far too high by Engineer Aldrich, and rejected by the board, the bids received Thursday were still higher.

No definite plans for the organization of the new forces to construct the roads have yet been made as the board only decided upon the new course of action when it became clear that the work could not be done by the contractors at reasonable figures.

"Aldrich will get a crew of men and we will go ahead with the work on our own responsibilities," was the way Charles summed up the whole situation.

## TO EXCLUDE PAVING OF STAGE GULCH ROAD

PETALUMA, Nov. 10.—A special tax levy will be made in the Petaluma road district in order to have the Sonoma highway avoid the Stage Gulch incline, if present plans of the Good Roads committee materialize.

At a meeting of the committee Saturday night the advisability of splitting the 12 mile unit, part of the paying to be extended to at least six miles out from Petaluma, reaching to the Lakeville schoolhouse, and six miles out from Sonoma, extending to the Cheda cheese factory, was discussed. This the committee decided would be the most sensible thing under the conditions and will exclude the paving of the hill on Stage Gulch road, thus avoiding that section altogether, inasmuch as the two extensions from the city limits of Petaluma and Sonoma would not cover the entire length of the road between the two cities. It leaves that portion out of the proposed contract to be let next Wednesday. This portion then would have to be paved later on an extra tax levy if the people desire it.

The above will be recommended by the committee to the board of directors of the Chamber of Commerce, to whom it will be requested to adopt and recommend to the supervisors at their next meeting when the contract is let.

It is proposed by Chairman Denman to have a delegation, representing both Sonoma city interests and Petaluma, to appear before the supervisors.

## CLUB NOTES

At the regular business meeting of the Woman's Club on Friday Nov. 7th five ladies were elected to membership, Mrs. E. Jensen, Mrs. Chas. Van Damm, Mrs. L. Orndahl, Mrs. Hamil Wagon and Mrs. Alma Fiscus. It was voted to effect a 100 per cent Red Cross membership in the Club and a committee of five was appointed to carry out the drive. The Club was visited by Messrs Vaughn and Trembley of Santa Rosa, who presented to those present the scheme of the proposed Victory Hospital to be erected in that place, showing the great need of such an institution and bespeaking their interest and aid in the proposition. It was voted to pay the District and State Federation dues, thus keeping the Club in touch with Clubdom throughout the United States.

Further details and proceeds of the carnival were also reported. Club Reporter.
